

Technopreneur Promotion Programme:-

The "Technopreneur Promotion Programme" (TePP) was launched in 1998-99 by the Ministry of Science and Technology. TePP is operated by the Department of Scientific and Industrial Research (DSIR) to tap the vast innovative potential of the citizen of India. TePP is a mechanism to promote individual innovators to become technology-based entrepreneurs (Technopreneurs).

KIIT-TBI recently received approval under the scheme "Technopreneur Promotion Program (TePP)" of the Department of Scientific & Industrial Research to serve as a TePP Outreach Center (TUC) .It is the only "TePP Outreach Centre (TUC)" in Odisha.

Objective :- The TePP has the following objectives:

- To promote and support untapped creativity of individual innovators
- To assist the individual innovators to become technology based entrepreneurs
- To assist the technopreneur in networking and forge linkages with other constituents of the innovation chain for commercialization of their developments.

Activities The activities under TePP include providing financial support to selected and screened individual innovators having original ideas for converting them into working models , prototypes and so on. TePP assistance is provided to the innovator to meet expenditure on the following:

- R&D/Engineering consultancy
- Procure small equipment,tools etc. required
- Raw Material/ Accessories (for prototype/process trials),
- Fabrication cost (for prototypes)
- Patent guidance and support
- Manpower
- Testing & Trials
- Any other relevant costs

TePP Schemes

Scheme	What is the funding for?	Who is eligible?	How much funding?	Details, Application form, Terms and Conditions
Micro Technopreneurship Support (TS)	To explore new concepts through lab-scale demonstrations, to develop prototypes, etc.	Individual innovators testing innovative new ideas with computer generated/ physical models. Student innovators are also eligible under this scheme	Maximum support is Rs. 75,000 subject to 90% of the approved project cost	Application Form RTF PDF  Terms and Conditions RTF PDF 

				Guidelines RTF PDF 
Phase I: TePP Project Fund (TPF)	Proposals to convert an original idea/invention/know-how into working prototype/ process. Proposals to demonstrate novel delivery models to take S&T innovations to rural India	<ul style="list-style-type: none"> • Unattached independent innovators like micro and small entrepreneurs working on new designs. • Start-up firms / incubated firms with turnover less than Rs. 45.00 lakhs. • Independent innovators scouted, documented, mentored by various agencies like NIF,RIN,RIF, ISB, SPJIMR,CIIE, CII, FICCI, Stanford Bio Design. • Finalists of competitions like Techfest, GE Edison Challenge, Tata NEN, Proto.in, Indian Angel Network, TiE, Eureka, India Innovation Pioneers Challenge, Lockheed Martin India Innovation growth program, Innovation for India awards, Piramal Prize , Economic Times, National 	Maximum support is Rs. 15,00,000 subject to 90% of the approved project cost	Application Form RTF PDF  Terms and Conditions RTF PDF  Guidelines RTF PDF 

		<p>Geographic.</p> <ul style="list-style-type: none"> Medical doctors coming out with low cost tools. 		
<p>Phase II: Supplementary TePP Fund (STF)</p>	<p>For improving transferability potential of innovations supported under Phase-I, by carrying out such value added work like adding product features, protection by patenting, aesthetic design et</p>	<p>Innovators who have successfully completed TePP Phase-I for licensing technology to a third party.</p>	<p>Maximum support under this category is Rs 7,50,000/- subject to maximum 90% of approved project cost.</p>	<p>Application Form RTF PDF </p> <p>Terms and Conditions RTF PDF </p> <p>Guidelines RTF PDF </p>
<p>Phase II: Seamless Scale-up Support for TePP (S3T)</p>	<p>To incubating enterprise promoted by independent Innovator. For improving market access, by carrying out such value added work like adding product features, protection by patenting, aesthetic design, limited production for market seeding etc</p>	<p>Innovator who has successfully completed TePP Phase-I project and desires to take innovation to market for starting own enterprise.</p>	<p>Maximum support under this category is Rs. 45,00,000 subject to a maximum 50% of approved project cost.</p>	<p>Application Form RTF PDF </p> <p>Terms and Conditions RTF PDF </p> <p>Guidelines RTF PDF </p>

Who can apply for TePP support?

Any Indian citizen with an original idea/invention/know-how can apply.

How to apply: Download Application form from <http://dsir.gov.in/tpdup/tepp/tepp.htm>

Or One can get Application form at KIIT TUC Center

The completed application may be emailed to

kiittbi@gmail.com

or printed and filled copy may be sent by courier or post to
